## Protecting our environment and human health against hazardous substances

### Hagens Spring Group conformity to The RoHS directive of the European Union

#### Supplier declaration

Hagens Spring Group does not manufacture electrical or electronical equipment (EEE equipment). We are aware that our products can be integrated into EEE equipment by our customers. Therefore we have made the below statement.

We declare that our products are manufactured in compliance with the RoHS directive stated in "EU Directive 2002/95/EC" (RoHS1) and later "EU Directive 2011/65/EU" (RoHS2) and "EU Directive 2015/863" (RoHS3).

When designing and planning our production the above directives will continuously be taken into consideration, and we will therefore be in compliance with any future products and new materials.

If you have any questions in regards to the above, please do not hesitate to contact me.

Best regards  
Hagens Spring Group
