Protecting our environment and human health against hazardous substances

Hagens Spring Group conformity to applicable RoHS directive of the European Union.

Supplier declaration.

Hagens Spring Group does not manufacture any kind of electrical or electronic equipment (EEE equipment).

We are aware that our products can be integrated into EEE equipment by some of our customers. Therefore we have made the below statement, and we will therefore be compliance with any future product and new material.

- *We declare that our products are manufactured in compliance with the RoHS directive stated in "EU Directive 2002/95/EC" (RoHS1), later "EU Directive 2011/65/EU" (RoHS2) and "EU Directive 2015/863" (RoHS3).*

When designing and planning our production the above directives will continuously be taken into consideration, and we will therefore be compliance with any future product and new material.

RoHS 3 covers the following material substances:

- *Cadmium (0.01 %)*
- *Lead (0.1 %)*
- *Mercury (0.1 %)*
- *Hexavalent chromium (0.1 %)*
- *Polybrominated biphenyls (PBB) (0.1 %)*
- *Polybrominated diphenyl ethers (PBDE) (0.1 %)*
- *Bis(2-ethylhexyl) phthalate (DEHP) (0.1 %)*
- *Butyl benzyl phthalate (BBP) (0.1 %)*
- *Dibutyl phthalate (DBP) (0.1 %)*
- *Diisobutyl phthalate (DIBP) (0.1 %)*

If you have questions or comment regarding the above, please do not hesitate to contact Hagens Spring Group.

Best regards
